

# ARTREACH INDIA

changing lives through art

**JOIN OUR PATRONS CIRCLE**

## PATRONS CIRCLE

Become part of an inspiring group of people who believe in the power of the arts to create change, and can see it at work in our excellent programmes! The Patrons Circle will help us reach children in many places so that they can draw brighter futures for themselves.

Our plans for the future include building partnerships with more care homes for children across the country, spreading the word on our specialist teaching methods through artist-educators labs and resource books and manuals, and changing lives directly through mentoring and internships.

- Commit to making an annual gift of Rs. 1 Lakh to Artreach for three years
- Be an ambassador for our work and advocate for the value of arts education in India
- Feature as Patron on our website, on social media, in our catalogues and all publicity
- Add beautiful Artreach artworks to your collection
- Experience our programmes in action with special performances, walk-throughs of all our exhibitions and site visits
- Join our annual Patrons mural painting day with an NGO partner
